

JOSAM KIMANI MARENYE

Civil Engineer

https://josamkm.vercel.app/

+254113503145
joemarenye@gmail.com
MOMBASA, KENYA

SKILLS

- Team supervision and daily work coordination
- Records, documentation, and report writing
- Scheduling (MS Project) and Excel-based tracking
- Client and customer communication
- Quality control and compliance checks
- Budget and quantity management

PROFILE

Civil engineer with hands-on software experience and a parallel background in financial analysis and technical writing. Comfortable moving between site supervision, structural detailing, quantity management, and the spreadsheets and reports that keep a project's numbers defensible. Open to full-time roles and freelance engagements.

EDUCATION

Technical University of Mombasa
Bachelor of Science in Civil Engineering (BSCE)

St. Francis Secondary School, Lare-NAKURU
Kenya Certificate of Secondary Education (KCSE)

Lanet Umoja Primary School, NAKURU
Kenya Certificate of Primary Education (KCPE)

EXPERIENCE

- Assistant Engineer, China City Construction Company, May 2026 to July 2026

Prepared bills of quantities, bar-bending schedules, road-marking quantities, and drawings. Eng. Samuel was my direct supervisor.
Role ended due to company staff reductions.

- Site Supervisor, KPLC, October 2025 to January 2026

Supervised a daily team of about 20 workers on a demolition project, coordinating activities to keep work on schedule.
Inspected on-site materials against required standards.

- Founder and Operator, Ufundi Tools, 2026 to present

Run an online store selling study notes to Kenyan university students, covering customer support, M-Pesa payment handling, and automated order delivery.

- Freelance Writer and Web Developer, August 2026- Present

Delivered written work and websites for clients by the deadline, managing requirements and revisions.
